

Supplier Notification

Date: 3rd June 2021

Supplier Notification Number: PQA-004-2021

Originator: Gordon West – Supplier Quality Manager

Suppliers Affected: All

Applicable programs: All

Supplier Notification Subject: QCF-GEN-02 Quality/Contract clause Update

Message / Text:

Please be advised that the purchase order clause document “QCF-GEN-02 Quality/Contract clauses” has been updated to issue 14 effective from the 3rd June 2021.

This update includes various changes and it is recommended that you conduct a full review of this document to familiarise yourself with the requirements.

Key changes within this update include:

- QA-GA Added (General Atomics contracts)
- QA-SA Added (Spirit Aerosystems contracts - A220 Aileron & Winglet, Global 7000/8000 Rudder & Elevator)
- Programs (A220 Aileron & Winglet, Global 7000/8000 Rudder & Elevator) moved from clause QA-BOM to clause QA-SA
- QA-Triumph removed
- SF-SC Added (Site facilities sub contractors)
-

The revised QCF-GEN-02 is available from www.gkncowes.co.uk
