

GKN Aerospace - Cowes

Supplier Notification

Date: 12th July 2021

Supplier Notification Number: PQA-005-2021

Originator: Gordon West – Supplier Quality Manager

Suppliers Affected: Any supplier manufacturing to GKN / Customer Specifications

Applicable programs: All

Supplier Notification Subject: Quarterly Specification Communication

Message / Text:

Please find herewith the Q2 2021 supplier communication to identify the GKN and customer specifications updated in the preceding quarter.

The attached sheet lists the specifications updates to 01-07-2021.

Real time listings of specification revisions can be reviewed at www.gkncowes.co.ukclick on *Quality Documents* at the top left of the page (**ignore the log in section**) and then select *Specification Definition*.

Supplier Action Required:

- Review this notification and verify that you hold copies of the correct revisions of specifications
- Implement a regular review of the Specification Definition listings on the GKN Cowes supplier portal
- Obtain copies of updated specifications that may be required by contacting your GKN programme buyer.

If you have any queries relating to this notification, please contact supplier.quality@gknaerospace.com

Best Regards

Gordon West
